How do I submit my appli	cation to the Grant?

Can I save my application to return and complete at a later stage?

You are not required to complete your application on the same day you start it. You have the option to save your application as you go through allowing you to return multiple times prior to submission.

Please carefully read the <u>Guidance for Applicants</u> document to ensure you are eligible and that you have all of the information you need to apply.

You will then need to log onto our online application system. If you have not used the SurveyMonkey Apply system before, you will need to create an account (this is not an RSC system and so your RSC membership login will not work). Once you have created an account, it will take you step-by-step through completing your application, from entering your details, uploading your project proposal and obtaining the required contributions from your collaborator or supervisor/line manager/head of department.
